22 Ton Air/Hydraulic Jack & 1" Air Impact Combo

- A combination package including a 22 ton capacity truck jack with a lift range from 9.06" to 17.94" and a 1" drive air impact wrench with 6" extended anvil
- The air hydraulic jack has load-limiting and bypass valves which prevent use beyond rated capacity and overextension of ram with spring activated self retracting ram. Has release knob at the top of the T handle works at any handle position and narrow width fits between tandem wheels
- The air impact wrench has a 6" extended anvil for extra access, 1,600 ft/lbs of torque, 3 forward and 3 reverse power settings, a D side handle for ease of use and side exhaust which directs air away from the job
- The hydraulic jack complies with ASME PASE/2014 safety standards and is covered by a 2 year warranty on material and workmanship
- The 1" air impact wrench is covered by a 1 year warranty
